Subject: Drafting of Issuance for OPC Manual

1. There is an apparent need for drafting ~~revision~~ of an issuance for the OPC Manual on the subject: Confidential Funds Regulations for field personnel.

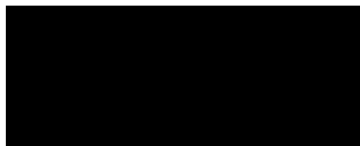

---

2. Since this subject is within the functional responsibilities of your office, it is requested that you prepare a draft of an issue and forward to ICO for publication. It will be appreciated if you will advise ICO when your draft will be available.

3. Please coordinate your draft with xxx

4. Remarks: As I recall you have already prepared such instructions for the field. We would like to issue them for our field personnel now.
